Kieran Mahan, DPM

Bryan C. Markinson, DPM

John Martin, MD

Sean O'Connell, PhD

Hal Ornstein, DPM

Jason Piriano, DPM

Ray Posa, MBA

Leslie Robinson, DPM

Luis Sanchez, DPM

Mickey Stapp, DPM

# Objectives

This conference will augment the background knowledge of attendees in the treatment of diabetic ulceration, including managing infections, debriding techniques, offloading the compromised foot, and treating the resistant wound. At the conclusion of this CME activity, the attendee should be able to enhance their expertise in the diagnosis and treatment of the pediatric flatfoot foot and various skin lesions of the feet. Those attending will better understand how using new technologies such as Digital X-Ray and Electronic Medical Records can improve diagnostic capabilities with the emphasis on treatment plans and outcomes.

# Accreditation

The 61st Annual Region Three Conference is presented in coordination with the William L. Goldfarb (WLG) Foundation which is approved by the Council on Podiatric Medical Education as a sponsor of continuing education in podiatric medicine. This activity has been planned and implemented in accordance with the standards, requirements and guidelines of the Council of Podiatric Medical Education through the affiliate sponsorship of the William L. Goldfarb Foundation and Region Three APMA.

# Credit Hours

The William L. Goldfarb Foundation designates the 61st Annual Region Three Conference for a minimum of 22 continuing education contact hours. Attendees should claim only those hours of credit that were spent in the educational activity.

# Faculty Disclosure

Speakers will, prior to their presentation, reveal any relevant financial relationship to the audience.

# Sponsorship
